Initial Unpaid Balance	\$
Loan Amount	\$1,583.00
Term	5 years
Annual Interest Rate	13.90% p.a.

The formula for calculating the Annual Interest Rate is: (the base rate x the modifier (if any)) plus a margin (if any). The Annual Interest Rate may change from time to time.

Westpac NZ may change the base rate, replace it with a new base rate, or change the modifier (if any) or the margin, from time to time.

Westpac NZ's published base rates are available at westpac.co.nz; and are advertised from time to time in major newspapers when changes occur. In addition, base rates are available by contacting your Westpac NZ branch or Relationship Manager.

Default Margin

5.00% p.a.

If any scheduled Loan repayment or payment of interest under your Loan is in arrears for 14 days or more this additional rate will apply from that 14th day until that payment is made.

The first payment will be one fortnight after the Drawdown date.

On the last payment you will pay all principal and any other amounts outstanding.

Total Amount of Interest	\$615.51
Total Payments	\$2,198.51

Unforeseen Hardship

If you are in financial difficulty it is important that you don't ignore the problem. Contact us as soon as possible if you are having problems meeting your repayments or think that you may experience difficulty doing so in the near future.

If you are not able, because of illness, injury, loss of employment, the end of a relationship or other reasonable cause, to meet your obligations under this Agreement, but you expect that a change to the Agreement would enable you to meet your obligations, you may apply in writing to have the Agreement changed in one of the following ways:

- an extension of the loan term so that the amount of each repayment is reduced; or
- postpone repayments for a specified period (a "repayment holiday"); or
- extend both the term of the contract and postpone repayments for a specified time.

Westpac NZ may, but is not obliged to, agree to a change to the Agreement. We will write and let you know the outcome of your application. If we do not agree to the requested change we will explain our reasons in writing.

Westpac NZ may charge a fee for any costs it incurs in documenting the changes to the Agreement. If a change to repayments is agreed, interest will still be added to the balance of your loan while repayments are postponed.

There are limits on when and how often you can make a hardship application. You can find out more information and obtain a Financial Hardship Application form in person at a branch, by telephone or on Westpac NZ's website. Further details (including a branch locator tool) can be found at westpac.co.nz.
